

# Government Will Seize Meat Packing Plants On Saturday, Washington Announces Today

## View Ulster Park From Blimp; Ulster Park-Hyde Park Joint Proposal Now Is Suggested

### Blimp to Come Here Saturday

Weather Permitting, the  
U.N.O. Site Group  
Plans to View Site  
From Air

#### Combination

Suggestion Made for  
Proposal for Both  
Sides of River

Announcement was made Tuesday evening that the local U.N.O. Committee was given to understand that on Saturday a blimp carrying members of the United Nations Organization Site Selection delegation will view the proposed Ulster Park area from a blimp, weather permitting.

The blimp will leave Lakehurst, N. J., on Saturday, weather permitting, for the Hudson Valley area. It has been reported that members of the Site Committee have found that inspection from the air has proved very satisfactory.

It has been suggested by the local committee that at least one of its members accompany the group on its scheduled air trip here for possible guidance.

It was announced at the meeting last night that members of the local committee will go to New York on Thursday to furnish additional information about the Ulster Park area.

There was a discussion on displacement of homes in the Ulster Park area in the event that the U.N.O. should decide to locate there.

Chairman George E. Yerry, Jr., submitted to the committee a report on the latest activities of the general committee in connection with the Ulster Park bid for the headquarters.

A discussion was also held on the suggestion from Hyde Park to have Ulster Park join up with Hyde Park in presenting both sides as a possible site for the permanent headquarters for the global peace home.

The consensus of opinion of those present at the meeting was that Ulster county is interested in having the permanent headquarters located here in its entirety or in part.

The inability of Hyde Park to make available the required amount of property necessary for the headquarters, is believed to have brought about the suggestion for the combination proposal.

Hyde Park Stand  
When questioned by a Freeman reporter today, a spokesman for the Hyde Park Committee stated that in view of the continued reports that an area of 40 square miles is required, Congressman LeFevre's suggestion of presenting the Hyde Park and Hyde Park in a joint bid is worthy of consideration and this matter has been the topic of informal discussion in our group.

### Five Powers Fail to Elect Secretary General of Group

More Cuts in Navy  
Points Will Let  
191,100 Out Soon

Washington, Jan. 23 (AP)—An additional 191,100 Navy men and women will be eligible for release seven to ten weeks hence through further cuts in point scores for discharge, effective March 15 and April 2. In general, the reductions will be at the rate of one point on each date for male personnel, including doctors. Point scores for Waves and nurses generally will continue at previously announced March 2 levels until April 2, when they will drop one point.

### Nation's Trainmen To Vote on Strike; 215,000 Affected

All Railroads in Country  
Would Be Involved if  
Men Walked Off  
Their Jobs

Cleveland, Jan. 23 (AP)—A strike vote will be taken immediately among the 215,000 members of the Brotherhood of Railroad Trainmen, President A. F. Whitney said today, and the Brotherhood of Locomotive Engineers has called a committee meeting for February 1 at which time a similar vote may be authorized among the engineers.

Alvanley Johnston, grand chief engineer of the Brotherhood of Locomotive Engineers, said railroad work would meet here February 1, "and it is a distinct possibility that they will authorize a strike vote among our 78,000 members."

Whitney said the membership strike vote would be taken on the question of two issues—a demand for a general wage increase of 25 per cent, and numerous changes in operating regulations to improve working conditions.

He estimated that about three weeks would be required to dis-

### Common Council Hold Tax Budget Meeting Tonight

Members of the Common Council will convene in special session tonight to consider new figures for the 1946 city tax budget. The meeting is scheduled at 7:30 o'clock in the regular chambers.

The original tax budget submitted by Mayor William F. Edmonds and approved by a strict party vote of Democratic members, was declared unconstitutional after a Supreme Court hearing before Justice Roscoe V. Ely.

The legality of the tax budget was challenged by two taxpayers—former city assessor George W. Moore and William B. Martin—on the grounds that it exceeded the New York state two per cent constitutional limitation. Justice Ely ruled in favor of the plaintiffs and ordered figures submitted for a new budget.

No information was available today on what appropriations would be given in the revised budget, but a city hall spokesman predicted they would consist only of a "minimum of increments."

### Hold 90-Minute Meeting in Byrnes Office; U. S. Backs Canadian for Position

By JOHN M. HIGHTOWER

London, Jan. 23 (AP)—The top men of the five principal powers in the United Nations met secretly in the office of Secretary of State James F. Byrnes today and were reported to have failed again to agree on a candidate for secretary general of the new security organization.

The negative result of the 90-minute meeting led some officials to express fear that the five powers were drifting toward a deadlock on the question, made more acute by charges of political interference by Iran against Russia and by Russia against the British in Greece and Indonesia.

American officials had hoped to make swift progress on the situation today, both at the five-power meeting and a later informal session of representatives of all 11 Security Council members, so the new peace organization could begin building its permanent staff.

The five powers have to agree in order for the full council to nominate a man whom the 51-member general assembly may accept or reject.

Behind Pearson  
The United States is reported backing Lester Pearson, Canadian ambassador to Washington, for the \$20,000 a year post. Russia has been advocating the candidacy of Trygve Lie, foreign minister of Norway.

The meeting, at a Mayfair hotel, was the first session that has been attended by Andrei Vishinsky, Soviet vice-minister of foreign affairs and chief Russian delegate, since the beginning of the U.N.O. conference. Vishinsky arrived in London yesterday.

Others at the meeting in addition to Byrnes were British Foreign Secretary Ernest Bevin, Paul Boncour, of France and V. K. Wellington Koo of China.

Talk About Russia  
Shortly before this secret gathering of diplomats, British officials were reported authoritatively to have discussed with French delegates an approach by the British government to the security council's handling of the Russian policy in Greece and Indonesia.

The United Nations Organization postponed until tomorrow its scheduled action to set up machinery to guard against an atomic war.

The office of Gladwyn Jebb, U.N.O. executive secretary, said: "We moved up the meeting to today because Byrnes wanted to get back to America as soon as possible, but have had to cancel it for today because of getting the (political and security) committee's report ready for the assembly."

American officials said the delay was a technical one.

Break Off Crisis Talk  
Edward R. Stettinius, Jr., will head the American delegation during the U.N.O.'s consideration of Russian complaints against British policies in Greece and Indonesia.

U.N.O. officials, meanwhile, discounted talk that these controversial issues might create a crisis in the new peace organization. Assembly President Paul-Henri Spaak declared there was "no ground for pessimism." At the same time he warned against falling into "the errors of the League of Nations" by putting off major problems.

### Strikes at a Glance Throughout Nation

(By The Associated Press)  
Continuing labor disputes keep idle 1,622,000.

Major developments:

Meat—White House announces struck meat industry will be seized and operated Saturday by Department of Agriculture; government officials indicate seizure postponed until Saturday to persuade striking C.I.O. workers to return to work under government operation; Labor Department officials say striking A.F.L. workers agree to go back on jobs under federal boss.

Steel—Strike of 750,000 C.I.O. Steelworkers, nation's largest single work stoppage, in third day, with no immediate government plans for seizure of industry; effect of paralyzing walkout being felt in coal and many other associated industries; C.I.O. President Philip Murray asks revision of federal corporation tax laws; U. S. Steel President B. F. Fairless schedules radio address to present industry's side of wage dispute.

Railroads—President Truman, intervening to head off threatened strike on two Chicago area shuttle railroads, names emergency board to investigate dispute; action under law, postponed strike for 60 days. Spokesmen say strike would block livestock shipments to Chicago stockyards and disrupt east and west through freight traffic. A. F. Whitney, president of the Brotherhood of Railroad Trainmen, announces 215,000 members will take strike vote immediately on question of 25 per cent pay boost and improved working conditions; says Brotherhood of Locomotive Engineers has called committee meeting for February 1 when similar strike vote may be authorized.

Automotive—C.I.O. United Auto Workers plan wage negotiations with Chrysler Corporation and Ford Motor Company as union reverts to its 30 per cent wage increase demand on General Motors; Detroit area tool and die makers told by union to halt all work on General Motors materials Monday, affecting 3,500 and 4,000 workers.

Electrical—Two government mediators named in eight-day strike of 200,000 C.I.O. electrical workers against General Electric, Westinghouse and General Motors; mediation to be resumed tomorrow between principals in wage dispute, causing country's third largest work stoppage.

Textile—C.I.O. United Textile Workers strike in second day, paralyzing production of 100,000 yards of cloth daily.

Food—C.I.O. United Food Workers strike in second day, paralyzing production of 100,000 cases of food daily.

Garment—C.I.O. United Garment Workers strike in second day, paralyzing production of 100,000 garments daily.

Shoemaking—C.I.O. United Shoemakers strike in second day, paralyzing production of 100,000 shoes daily.

Printing—C.I.O. United Printers strike in second day, paralyzing production of 100,000 printed matter daily.

Transportation—C.I.O. United Transportation Workers strike in second day, paralyzing production of 100,000 tons of freight daily.

Chemical—C.I.O. United Chemical Workers strike in second day, paralyzing production of 100,000 tons of chemicals daily.

Metals—C.I.O. United Metals Workers strike in second day, paralyzing production of 100,000 tons of metals daily.

Food Processing—C.I.O. United Food Processors strike in second day, paralyzing production of 100,000 tons of food products daily.

Textile Mill—C.I.O. United Textile Mill Workers strike in second day, paralyzing production of 100,000 tons of textile products daily.

### Coal Mines Crippled By Steel Strike Today

Over 9,000 Workmen  
Idle as 12 Pits Shut  
Down in Bituminous  
Coal Areas

New York, Jan. 23 (AP)—Milk distributors—cut off by the steel strike from a major supply of fibre containers—slashed deliveries today and predicted that by Monday the reductions would affect one-eighth to one-third of all milk normally sold here.

More than half the number of paper milk containers used in New York are produced at the Brooklyn plant of the American Can Company, now closed by the strike of the C.I.O. union employees. The remainder comes from the firm's Jersey City, N. J., plant which is operated by A.F.L. members and is not affected by the union-wide walkout.

Distributors reported no more than a three-day reserve of paper containers even on the basis of reduced quotas put into effect yesterday.

The Sheffield Milk Company cut its deliveries of packaged milk 50 per cent and said its entire stock of containers would be exhausted by the week's end. It reported it had been able virtually to fill its store orders by substituting bottled milk, but added:

"There are not enough store deposit bottles to convert completely to glass the volume of milk supplied to stores in paper containers."

The Borden Company, which receives a quarter of its paper containers from the American Can Company's Jersey City plant, cut its deliveries 25 per cent.

A spokesman said the firm would continue on this basis for three days after which it would limit itself to containers received from New Jersey.

He said the firm already was on a "hand to mouth" basis so far as bottles were concerned.

Twenty six New York dairy plants receive their entire supply of containers from the American Can's Brooklyn factory, while six others receive part of their supply from that source and the remainder from the firm's Jersey City plant.

T.B. Health Association  
Will Meet January 30

The regular quarterly meeting of the Ulster County Tuberculosis and Health Association will be held at the tuberculosis office, 74 John Street, in Kingston on Wednesday, January 30 at 5 p. m.

Reports on the 1945-46 health program will be discussed. A report on total contributions from the 1945 Christmas Seal Sale will also be made at this meeting.

Size Army Problematical  
Numbers, Jan. 23 (AP)—Secretary Patterson said today the War Department's long-range figure for the size of the American occupation force in Germany "still is in the planning stage," but that "it will be less than I had expected."

The secretary said the "only thing settled" was to have the army strength of 300,000 here by July 1.

War Mothers Talk to Eisenhower  
Gen. of Army Dwight D. Eisenhower (center) is interviewed by a group of service men's wives in the office of Rep. Andrew J. May (D-Ky.), who stands at the right. Mrs. Dorothy Galomb of Wilkesburg, Pa., (left of Eisenhower) speaking for the group, expressed dissatisfaction with demobilization procedure. (AP Wirephoto).

DeKay Succeeds  
G. W. Codwise as  
Scout President

Herbert DeKay, who has been serving as chairman of the Kingston District of the Ulster-Greene Council, Boy Scouts, was named president of the council at the annual meeting held at the Governor Clinton Hotel Tuesday night.

## 2 Offices To Direct Big Move

Agriculture Department  
Will Run Nation's Big  
Business Aided by  
War Department

### Curt Statement

Press Secretary Ross  
Has Little to Say as  
He Tells of Procedure

Washington, Jan. 23 (AP)—The White House announced today the Department of Agriculture will seize and operate strikebound meat packing plants on Saturday.

Press Secretary Charles G. Ross said the Agriculture Department will have the aid of the War Department "if necessary" and that the Agriculture Department will conduct the operations.

Ross declined to answer questions concerning his terse announcement, made to a hurriedly called news conference.

Ross made the following oral statement:

"The government will seize the closed meat packing plants on Saturday, January 26.

"The necessary orders for the seizure are now being prepared by the secretary of agriculture.

"The seizure will be made by the Department of Agriculture, with the aid of the War Department if necessary. The plants will be operated by the Department of Agriculture.

"That's the whole of it at this time."

A few minutes earlier a government official, who declined to be quoted directly, had indicated the seizure would be made Saturday, to allow further time to persuade striking C.I.O. workers to return to their jobs under government operation. Labor Department officials have said that striking A.F.L. workers had agreed to return if the government took over.

The administration still has no immediate plans for further action on the steel strike, Ross said.

Asked whether there were any plans for Henry Kaiser to be brought into the picture to help settle the steel dispute, Ross replied:

"I know of no such plans."

Last week Kaiser signed a contract with the C.I.O. United Steel Workers union for his California steel plant.

Intelligence Failed  
Short Tells Committee

Washington, Jan. 23 (AP)—Major Gen. Walter C. Short today gave congressional investigators evidence which he said showed that two days before Pearl Harbor the chief of army intelligence did not believe an open split with Japan was near.

The 1941 chief of intelligence was Maj. Gen. Sherman Miles.

Short, army commander at Pearl Harbor when the Japanese struck December 7, 1941, read into the record of the Senate House inquiry this message which he said Miles sent to Panama on December 5, 1941:

"United States-Japanese relations strained. Will inform you if and when severance of diplomatic relations are imminent."

The message caused a stir among members of the Senate House investigating committee. Senator Lucas (D., Ill.) told reporters he thought it was "one of the most important developments yet."

Treasury Receipts  
Washington, Jan. 23 (AP)—The position of the Treasury January 21: Receipts \$155,359,655.77. Expenditures \$266,908,408.88. Balance \$24,324,707,889.21. Customs receipts for month \$2,175,089.62.

Tenck Corps Dissolves  
Tokyo, Jan. 23 (AP)—The Tenth Army Corps in Southern Honshu Island will be inactivated January 31 and high point men sent home for discharge, it was announced today. The corps participated in the Leyte campaign, and its Third Battalion, 1st Infantry Division, captured Davao on Mindanao.

## Car Turns Over

A car being driven by Harold J. Saugerties turned over at the intersection of the by-pass and Route 9-W. Tuesday night. Trooper Seymour, who investigated, reported that the accident happened when Bell put on his brakes. He escaped injury.

## Legislature Will Get 2-Part Budget From Governor

## Local Assistance, Regular State Services Make Up Topics for Message

By HENRY LEADER  
Albany, N. Y., Jan. 23 (AP)—Gov. Dewey will submit to the Legislature January 31 a novel two-part budget totaling about \$550,000,000, an informed source said today.

One part will be concerned exclusively with local assistance and will call for approximately \$300,000,000. The other portion will deal with regular state services and provide for an appropriation of about \$250,000,000.

The 1945-46 estimate was \$369,500,000, but this cannot be compared accurately with the new figures because of the change in the budget structure. It is known, however, that the general fund appropriation, exclusive of local assistance, will be millions higher than in the current fiscal year, which ends March 31.

The governor worked on his budget message amid these capital developments:  
The state obtained federal release of the Army Air Forces base at Mattydale, near Syracuse, and will proceed immediately with plans to convert it into temporary dwellings for war veterans and their families.

Bills were introduced to implement the governor's \$35,000,000 emergency housing and permanent housing programs.

Dewey's scheduled statewide conference of local officials to discuss expansion of the drive

against juvenile delinquency encountered Democratic criticism in the Assembly.  
The legislative bi-partisan committee to study proposed benefits for veterans organized and elected Senator William F. Condon of Yonkers chairman.

The joint legislative committee for the study of commercial rents announced through its chairman, Assemblyman D. Mallory Stephens, that a statewide survey was underway to determine the best form of state residential rent control.

## Agrees With Moore

In submitting a two-part budget, Governor Dewey will be carrying out a recommendation of the Moore Commission, in its plan for stabilization of municipal finances.

The commission proposed that the state abandon its system of sharing with localities certain taxes and instead give each community a share of a fixed annual sum of approximately \$95,500,000. The plan also would reduce the total cost of welfare to a flat 20 per cent of total expenditures for this purpose. Municipalities now pay 60 per cent of relief costs.

Will Set Up Reserves  
In addition to payments under the Moore plan, communities would continue to receive state aid for education, highways and other services.

Stabilization reserve funds of \$25,000,000 each will be established for the local assistance and normal operating parts of the budget. This \$50,000,000 will be appropriated from the \$485,000,000 postwar reconstruction fund.

The \$435,000,000 remaining in the postwar fund will be appropriated for public works construction and temporary housing.

Dewey will confer at the executive mansion tomorrow with city, county and town officials on a program to enlarge the campaign against juvenile delinquency, now being conducted under guidance of the state youth commission.

In the Assembly yesterday, Louis Bennett, Bronx Democrat, asserted the juvenile delinquency program had not been solved and "the youth commission has done nothing."

## Donnaruma Named Treasury Consultant

Walter F. Donnaruma of 261 Fair street, is one of six New York state men named by the Treasury Department to consult and advise with the Treasury on further sale of Savings Bonds in this state. They will form the committee for New York state in charge of the program which will succeed the war loan program in an effort to sell U. S. Savings Bonds.

Mr. Donnaruma says that such committees will be named for all the states, the New York state committee being the first one named. Also that an additional assistant secretary of the Treasury is to be appointed to have charge of the general program.

## Resumes Practice

Dr. Fred S. Carr has reopened his office at 17 Pearl street for the practice of medicine and surgery.

## SAYS SHE WAS HELD CAPTIVE

This girl, identified by Detective Sgt. C. E. Crebory of the sheriff's office at Los Angeles as Jean Conney of New Jersey, charged in a complaint filed at the California city that she was beaten and held captive in a luxurious two-swimming pool home. As a result of her story, Lon P. Gamble was accused of rape and assault to do bodily harm while Edward Clark was charged with vagrancy on three counts. Clark pleaded innocent at his arraignment while Gamble faces preliminary hearing January 31. (AP Wirephoto).

## News of Our Own Service Folk

## Going to Academy

Rudolph Ernest Elling, son of Mr. and Mrs. Adolf W. Elling, R.F.D. No. 1, Box 358, this city, was recently appointed to the U. S. Coast Guard Academy, New London, Conn., as a cadet in the new class of 1949. He attended Flatbush Grammar School and was graduated from Kingston High School in 1945. He was a member of the New York State

## Bobby Soxers Warned Against Flat Feet

Kansas City, Jan. 23 (AP)—Today's bobby soxers may be caught flat-footed as tomorrow's wives.

Dr. Earl C. Elkins of the Mayo Clinic of Rochester, Minn., gives the teen-age "sophisticates" that to think about.

The bobby sox era in high school, he said in an interview, is a natural for flat feet, explaining:

"Moccasins, sandals and the like are as bad for girls as the too-high heels our mothers used to wear."

He predicted if the bobby soxers continued to wear them for long their arches would pancake and soon they'll have "sled runners for feet."

Except for appearances sake, he sounded an optimistic note for them should they fall victims of level pedal extremities. They shouldn't prove to be overwhelming physical handicaps in getting around.

In the first World War, he explained, flat feet kept many men out of the army. In the second, so

## Kingston Discharges

The following Kingston servicemen have been honorably discharged from the army at Fort Dix: T/4 George T. Brown, 31 Lucas avenue; T/5 Charles H. Dasher, 51 Auburn street; Cpl. John J. Guido, R.F.D. 1; Pvt. John H. Henion, 12 Ova Place; Sgt. Ernest R. Kirchner, R.F.D. 2; Cpl. John A. Lang, 237 East Strand; T/5 Edward Lowe, 65 Maple street; T/5 John Sacco, 89 Broadway; and T/5 Alfred H. Whitaker, R.F.D. 1.

## County Discharges

The following men from Ulster county have been honorably discharged from the army at Fort Dix: T/5 Sgt. Chester W. Barth, Post Office; P.F.C. William J. Goldpaugh, Lake Katrine; P.F.C. Howard W. Robinson, Saugerties; and Sgt. Ernest F. Trappani, Highland.

Cpl. Gordon M. Taylor, son of Mr. and Mrs. S. Maxwell Taylor of 46 Fairmount avenue, arrived at his home Saturday, following honorable discharge at Camp Dix after three years of service in the Army. For the past two years Corporal Taylor had served with the Army Air Force in New Guinea and at Okinawa and landed at San Francisco, January 6.

## DEATHS

Guard in this city for five years. His sister, Ise Erna Elling, is a cadet nurse.

many flat-feet were encountered that the army took them anyway. And, he added, it was surprising how those feet could get over the ground.

## Local Bankers Attend New York Meeting

Among the 1,300 New York state bankers who attended the mid-winter meeting of the New York State Bankers Association, held in the Federal Reserve Bank Building, New York city, Monday, were: Edward H. Remmert, Amos R. and Lloyd E. Newcomb of the National Ulster County Bank of Kingston; Robert C. Murray of the State of New York National Bank; Raymond W. Garrahan and Walter F. Donnaruma of the 1st National Bank of Windham.

Allan Sproul, president of the Federal Reserve Bank of New York, main speaker at the banquet held in the Waldorf-Astoria Monday night, supported the proposed American loan to Britain and the Anglo-American financial and trade agreements "as an act of statesmanship on behalf of ourselves and the whole world."

## German Fleet Is Divided Among Big Three Powers

London, Jan. 23 (AP)—Remnants of the German fleet, once a powerful factor in world affairs, have been divided among the victorious Big Three—Britain, Russia and the United States.

"Operable surface units" of the Nazi Navy, amounting to 1,759 vessels, together with 30 submarines, are being split upon a share and share alike basis, a tri-power communiqué said last night.

The action leaves Germany without the vestige of a combat fleet. A British source said the German merchant fleet also would be divided up later, although fishing vessels will not be taken.

Each nation, in addition to 10 submarines will receive:  
United States—The 10,000-ton cruiser Prinz Eugen, seven destroyers and torpedo boats, 12 depot ships and 560 other units.

In Washington, State Department officials said, they could give no indication when the identity of the ships allotted would be announced. The Prinz Eugen, en route to Boston for what the Navy Department described as experimentation, last night was reported speeding to the assistance of the crippled troop ship Frederick C. Hicks, 1,000 miles east of New York.

Russia—The 6,000-ton cruiser Nernberg, 10 destroyers and torpedo boats, 15 depot ships, and 507 other units.

Britain—Thirteen destroyers and torpedo boats, 21 depot ships and 612 other units.

The decision to split up the German Navy was reached at the Potsdam Conference, the communiqué said, and a tripartite naval commission appointed to implement the decision recently submitted its report.

## Park for Potatoes

Berlin, Jan. 23 (AP)—The British Military Government has ordered Berlin's famous Tiergarten converted into a vast potato patch. The big central park lies in the British occupation zone. Its oaks, centuries old, have been cut for fuel.

## Held for Intoxication

Oscar Alsworth, of Syracuse, was picked up for public intoxication by Officers Sammons and McDonough last night and was held in city jail for hearing in city court today.

## Real Estate Board

The January meeting of the Ulster County Real Estate Board will be held Thursday evening, at 7:30 o'clock, at the office of Arthur J. Burns. A full attendance of members is requested.

## Will Speak Here

O.P.A. Allows Increase  
In Laundry PricesNew York, Jan. 23 (AP)—An in-  
crease in consumer prices of aboutfive and one half per cent has been  
granted by the regional O.P.A. to  
137 power laundries and their in-  
dependent agents in New York,  
Nassau and Suffolk counties.  
The laundries affected consti-tute about 50 per cent of those  
handling family laundry, on a  
bundle basis, in the metropolitan  
area.  
The increases, the O.P.A. said,  
become effective January 18, andare based on individual applica-  
tions by the firms after the War  
Labor Board approved last De-  
cember 28 wage increases to em-  
ployees of the companies.  
The price boosts were grantedonly upon a showing by the op-  
erator of financial hardship and  
inability to absorb the wage in-  
creases and other allowable in-  
creases in operating expenses.Keep poultry cool. It's a highly  
perishable food. When you get a  
chicken or turkey from the mar-  
ket, wash it thoroughly inside and  
out, dry well, and store it in the  
refrigerator until time to cook.Cotton curtains can be fire-  
proofed by dipping in a solution  
made of seven ounces of borax  
and three ounces of boric acid,  
dissolved in two quarts of hot  
water.

JAMES E. GHEEN

The annual Washington's Birth-  
day dinner for many years a fea-  
ture at the First Reformed  
Church, under sponsorship of the  
Men's Club, will be resumed this  
year after having been suspended  
since 1942 because of war condi-  
tions.

Tuesday, February 19, has been  
set as the date for the dinner this  
year. James E. Gheen, a public re-  
lations counselor, with a nation-  
wide experience and a reputation  
as an after-dinner speaker—"con-  
sidered one of the best Chamber of  
Commerce speakers in the United  
States"—will be the speaker of the  
evening. Mr. Gheen comes with a  
record of having spoken in eight  
hundred and twelve different cit-  
ies and towns, in 45 states.

Mr. Gheen has a background of  
newspaper work as a columnist,  
reporter and feature writer; 15  
years in the steel business in  
Pennsylvania and Buffalo; and  
many years in the civic-commu-  
nity organization field. He has  
served as secretary of Chambers  
of Commerce in Bethlehem, Pa.,  
Niagara Falls, New York and Al-  
bany, and as field secretary of the  
Florida State Chamber of Com-  
merce. He is described as a philo-  
sophical humorist who has no peer  
on the public platform.

The last previous dinner was  
held on February 19, 1942, the  
speakers being Earl R. VanVleet  
of the National Association of  
Manufacturers and Donald V.  
Hock, Allentown, Pa., attorney and  
humorist.

Mr. VanVleet was introduced at  
that time as having a "sense of  
humor." He observed that "I am  
wondering if in these days there  
could be found in the ranks of  
manufacturers one left who has  
a sense of humor."

Flashes of Life  
Sketched in Brief

## Thanks a Lot

Dallas, Jan. 23 (AP)—A city gar-  
bage truck knocked down a small  
garage and while the worried  
driver was trying to explain the  
owner interrupted:  
"We were going to tear it  
down anyway, you've saved us  
some work."

## Parson's Dilemma

Seattle, Jan. 23 (AP)—The week-  
ly gift of a Seattle civic club for  
its guest from the most distant  
city was a bottle of distilled  
spirits.

At first, the leading—but un-  
willing—contestant for the prize  
was a man who reluctantly intro-  
duced himself as Joel Harper,  
clergyman, from Spokane, Wash.  
To the intense relief of the  
minister, it developed that the  
club also was being visited by a  
man from Jefferson City, Mo.

## Monkey Business

Portland, Ore., Jan. 23 (AP)—Sgt.  
John L. Vaskes of Bismark, N. D.,  
says the clothing shortage is  
really getting tough—and his pet  
monkey will bear him out.  
Vaskes visited a night club  
and took his monkey along. While  
Vaskes was dancing, somebody re-  
moved the monkey's wool suit.

## Chilly Speeches

St. Paul, Minn., Jan. 23 (AP)—  
The guests at a dinner given by  
Mayor John J. McDonough were  
politicians, all ready to orate on  
the current municipal election  
campaign.

Why the speeches were short.  
Mayor McDonough limited each  
speaker to the length of time he  
would—or could—hold a 25-pound  
cake of ice in his bare hands.

## Running on Air

Duluth, Minn., Jan. 23 (AP)—  
Filling station operators who fear  
the atom age got a word of en-  
couragement from Prof. E. H.  
Schrieber of the Superior, Wis.,  
State Teachers College.

Said Prof. Schrieber in an ad-  
dress: "While a hunk of uranium  
the size of a fist will run an auto  
24 hours a day for 40 years,  
motorists will need filling station  
operators to get air for their  
cars."

## ADVERTISEMENT

**"UNBLOCK" your  
DIGESTIVE TRACT**  
And Stop Doing Your Stomach  
With Soda and Alkalies

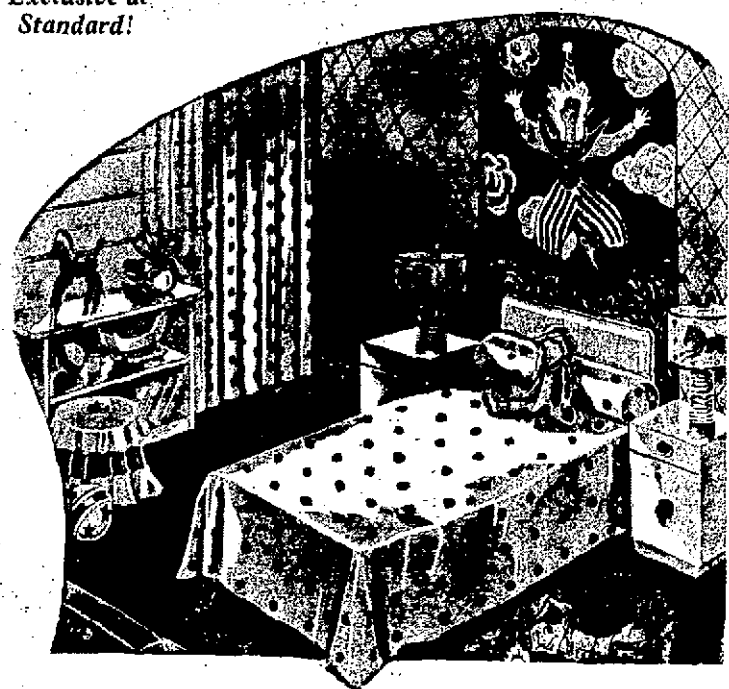

Don't expect to get real relief from  
acidic, sour stomach, gas and bad  
breath by taking soda and other alka-  
lies. It's the true cause of your trouble is  
constipation.  
In this case, your real trouble is not in  
the stomach at all. But in the twisted  
tract where 80% of your food is digested.  
And when it gets blocked it fails to  
get properly.  
That you can't get real relief is not  
soda or alkalies—but something to  
"unlock" your digestive tract. Some-  
thing to clean it out effectively—help  
nature get back on her feet.  
Get Carter's Pile right now. Take  
them as directed. They quickly and effec-  
tively "unlock" your digestive tract.  
They permit your food to move along  
normally. Nature's own digestive juices  
can do their work. You get genuine relief  
that makes you feel really good again.  
Carter's Pile is a real digestive tract  
"unlocker." Your stomach and bowels  
will feel better from independence.

# Kiasmen Capture First Round in DUSO League; Win Play-Off 58 to 29

Sellout Thru Watches  
Locals Whip Newburgh  
in Goshen; Weaver  
Is High Scorer

The mighty Maroon of Kingston High traveled to Goshen last night and brought home the DUSO championship of the first half as they soundly trounced Newburgh by a 58-29 score. Pre-game favorites, the forces of Coach G. Warren Kias surprised even the most optimistic Kingston fans as they left no doubt in the minds of DUSO league supporters as to just who was the better team.

Kingston was paced by Eddie Weaver and Tony Albany who hit the cords for 20 and 19 points respectively. This Maroon duo along with the remaining three members of the team, turned in their best performance of the year.

Newburgh was led by Blair Davis who tossed 11 points through the hoop, and played a respectable floor game. The Newburgh team as a whole played a fair game, but they were unable to stem the flying Kingston team which looked like real champions.

A packed house witnessed this contest at the Goshen gym, among which were about 300 Kingston fans. The Maroon supporters made the trip by bus and car, or any other transportation available, and were on hand to cheer their team on to victory.

**Good Start**  
Kingston got off to a flying start right from the beginning. Paced by Albany and Murray, the Maroon five jumped off to a 20-0 lead in the first six minutes of play. Although this margin was cut to 20-18 at halftime, it was the tonic that the locals needed to get them off on the right foot.

Newburgh made its one bid of the evening at the start of the second half. The Goldbacks rallied to tie in five quick minutes and cut the Kingston edge to 31-23. It was then that the Kiasmen came back with the stuff of which champions are made. Running the lead up to 41-29 at the third quarter mark, the locals held the Hill City five scoreless in the point column throughout the final period. Kingston tossed in 17 that last quarter to insure the win.

It was strict teamwork that gave the Maroon the first round championship, for the squad played together to the man. Although the big three of the Kingston offense, Tony Albany, Eddie Weaver, and Bob Murray made most of the points, the guards also turned in a stellar performance. Len Siskler, Bob Miller, and Bob Gheer combined to start the Newburgh offense cold. Blair Davis was the only Goldback that hit the double mark in the scoring column, as "Blackie" Dorazio, Joe La Grotta and Colin Jackson were held to a minimum.

George Glazer relieved Bob Murray at one of the forward slots and played a steady floor game. Throwing in 5 points on two beautiful overhead shots and a free throw, Glaser took the spotlight by his recovery of Newburgh passes and fumbles which set up many Maroon scoring plays.

**In Saugerties Friday**  
Taking time out from their DUSO schedule for a week, the Maroon travels to Saugerties Friday night for a non-league encounter with the forces of Coach Cahill. The DUSO schedule resumes a week hence, with the Maroon slated for a contest in Middletown to open the second round.

In the other DUSO contest last night, Middletown won over Liberty 38-35 after trailing 15-8 at halftime. By winning, the Bulldogs move into third place. Liberty faces Monticello Friday night in Indian town to round up first round action.

**SIDELINERS**  
Len Siskler fell on a rebound play in the final period and twisted his ankle so severely that he was unable to finish out the

## Lineups for Basketball Doubleheader Here Tonight

Following are the lineups in tonight's basketball feature at the municipal auditorium between Kingston and Poughkeepsie in the opening game of the Mid-Hudson Y. M. C. A. championships:

7:30 Game			
"Y" Juniors	LF	Coxsackie A. C.	
Dougherty	RF	Adama	
Mathers	C	Sager	
Bloom	LG	Spagnola	
Rowland	RG	Erasmus	
Perry		Chapman	
Reserves—(K) Woods, Gosseline and Barnes.		(C) Moon, Crow, Steele and Sacco.	

8:45 Game			
Kingston Y. M. C. A.	LF	Poughkeepsie Y. M. C. A.	
C. Rock	RF	V. Angelo	
Smith	C	Grusius	
Myers	LG	Sogel	
Harnbeck	RG	Leo	
Reserves—(K) Kelse, Hansen, Purvis.		(P) Kiel, Whner, McCombs and Denton.	

game. The ankle was violently swollen after the game, and it is not known whether Len will be ready to face Saugerties Friday night. The Maroon hit their highest total of the season, their previous being 57 each, against Saugerties and Liberty.

Kingston appeared wearing white jerseys again. These are good luck in Kingston's eyes as they have won both games in which they were worn by impressive margins. Crowded admired Kingston's campaign which gave impressions of college play, especially on defense.

**Hockey Team in Trade**  
New Haven, Conn., Jan. 23 (AP)—A three-for-one trade which sends Norm Larson, high scoring winger of the New Haven Eagles of the American Hockey League to the Hershey Bears of the same circuit for wingers Bill Cupolo and Bill Gooden and center Alex Hoston was announced last night by owner Eddie Shore of the cell-dwelling Eagles.

Hamilton Says He Favors Sports in Military Training			
Seattle, Jan. 23 (AP)—Football in particular and athletics generally should be an integral part of military training for officers and men—			
—that was the conclusion of Navy's new football coach, Capt. Thomas J. Hamilton, when he said was king of his observations while serving aboard carriers in the Pacific war campaign.			
Men with athletic backgrounds seemed to perform better, react to situations quicker and have more stamina, he said.			
The greying, 305-pound Navy flier had plenty of opportunity to observe. First he played a part in installing and successfully operating the Navy's pre-flight physical training for naval aviation.			
Later he became air officer of the "Big E," the carrier fleet, twice in June of 1943 and rose to executive officer during the campaigns in the Solomon Islands, Marshall Islands and the battle at Leyte.			
At the war's finish he was commanding the escort carrier Sava Island which he expects to leave shortly for his coaching assignment.			

**Writers Pick Nelson**  
Philadelphia, Jan. 23 (AP)—Byron Nelson, golf's greatest money winner, was the most outstanding player in 1945, in the opinion of the Philadelphia Sporting Writers Association. The group, in a poll, said Nelson scored 80 points, six more than Felix "Doc" Blumhagen, Atlantic City's outstanding Black Greenleaf, outplayed in the Detroit Tigers, was third with 64 points. Steve Van Burra of the Philadelphia Eagles professional football team, fourth.

## COMPARING DUKES

Billy Conn (left) and Joe Louis compare fists during a meeting at Pittsburgh. They'll meet again next June 19 in Yankee Stadium, New York. (AP Wirephoto).

## In The Pocket

CHARLIE TIANO

City tournament plans announced by the K.E.A. feature the elimination of Class C. . . This is a worthwhile improvement and relieves the secretary of extra, unnecessary bookwork. . . The handicap, the Great Leveler, takes care of the boys in C and they are the ones most likely to profit. . . Using the highest league average compiled by a man for his tournament average is a sensible move. . . These two rules eliminate phony composite averages, shenanigans and bickering that take place when the leagues get out their slide rules and try to play in a lower bracket.

## PERRINO-BLANMONT HOT IN VALLEY LOOP

While the Mad Magicians of the polished lanes were routing Newburgh Finnegans Sunday in the Hudson Valley loop, Newburgh Turks clipped Ellenville Waydides 2-1. . . Red MacNorrain led with 47. . . Frankie Greco, son of the Ellenville alley proprietor, posted 538, with 221. . . Pete Perrino shot 624 as Middletown Ellis shaded was 243. . . Lilott lost 222 and Brocht 227 for the losers. . . Erle Lunch of Middletown, probably the most improved aggregation in the circuit, unleashed a 2010 series in a clean sweep over Liberty. High game being 1023. . . Po Blamonte anchored with 632 on 223, 226 and 183. . . Wayne Scott elicited for 616.

**Powder Puffs**—Doris Rudell, of Los Angeles, holds the national women's high series of 731, rolled on games of 230, 236 and 245. . . Betty Barbour, Staten Island keglerette, entered in Class C in Barney Spinella's triple classic, shot a 622 scratch series and topped all entries in A, B, C and under the rules she was entitled to all the money. . . She took home \$1,100 on games of 173, 213 and 236. . . Newburgh Women's Bowling Tournament champions, Victoria Five 2375. Lila Havens, Margie Swinden, 1047, Evelyn Daley 614, Dorothy Hamilton 3578. . . Just by way of keeping up with the times, Katherine Watzka staged a strike of her own Monday evening—just one—but it may have been the genesis of a hectic bowling career. . . Does anyone name in the books? That's easy. . . Harry Re.

**Stars of Yesterday**—Feb. 3, 1931—Livingstons 3, Uptown Merchants 0, Harry Stout 264-621, Gil Sampson 214-550; February 6, 1931, Y loop—Trust Co. 3, E. & T. 0, W. Thiel 236-160-216—612; high averages in City League: Petri 187, Rice 181, Paul 181, Bedford 172, Rice 177—February 10, 1931—Livingstons 2, St. Peters 1, H. Stout 216-213-179—608.

## Yankees Schedule 76 Games For Spring Training Jaunt

Petersburg squad will report February 16 followed by other members February 23. When the Bradenton group gets started March 4 and 5 and the Panama tourists return the Yanks actually will be under full steam in Florida.

The St. Petersburg team will play 76 games, bouncing around Florida, flying to New Orleans and Texas before picking up the Brooklyn Dodgers for the northern journey at Nashville, April 8. The players stationed at Bradenton will play 29 trips.

For the 1947 spring training MacPhail is reported to be eyeing Honolulu.

When this crew of well-conditioned athletes has finished its tropical "joyride," the Yanks are expected to leap into the regular 154-game American League grind with vim and vigor.

While this good-will contingent is encouraging Latin American friendship, and incidentally picking up a few Yankee dollars, the pitchers and catchers of the St.

## Better Bowling By Billy Sixty

Walter Ward of Cleveland is a "spot" bowler with a grand average for 7,970 games of 208. He has spilled 10 perfect 300 games in competition.

Ward's reason for using the spot method is this: "It's much easier to aim at a spot a few inches or a few feet away than to sight for the one-three pocket 60 feet away. I find that with the spot system it is easier to have smooth foot action and a more consistent, controlled hand-turn in releasing the ball. Aiming for the distant pocket spoils balance. In spot bowling I try a spot or two on the alley, watch the action of the ball, and then determine what spot to use and what speed is necessary for control. In other words, to keep the ball on the right side of the headpin."

## Jimmy Walker Set For Neil Plaque

Ex-New York Mayor First Non-Boxer So Honored

New York, Jan. 23 (AP)—Former New York Mayor James J. Walker, first non-boxer to be awarded the Edward J. Neil Memorial plaque, will be presented with the trophy tonight at the annual dinner of the New York Boxing Writers Association.

Walker, father of the state's boxing law, was voted the trophy for his outstanding contributions to

### Louis B. Basten Has 90th Birthday Today

Louis B. Basten who is celebrating his 90th birthday today will be guest of honor at a dinner party tonight given by his son and daughter-in-law, Mr. and Mrs. E. Van Dyke Basten, 103 Emerson street.

Guests will include Mrs. Louis Basten, Mr. and Mrs. Cornelius Treadwell, the Misses Mary and Margaret Treadwell, Mrs. Charles Brink, Mrs. Henry Sniffen, Mr. and Mrs. James Guttridge, Mr. and Mrs. Harold Osterhout, Mr. and Mrs. Herbert Thomas and Miss Marcella Rounch.

**Jean Sullivan Is Bride**  
Of Raymond C. Hicks  
New Paltz, Jan. 23—Mrs. Philip Paton of 284 Church street, Poughkeepsie, formerly of New Paltz, announces the marriage of her daughter, Miss Jean Sullivan, also formerly of New Paltz, to Raymond C. Hicks also of Poughkeepsie, son of the late Mr. and Mrs. Charles Hicks. The ceremony took place January 5 in the rectory of Holy Trinity Church with the Rev. Richard Leo Fallon officiating.

The bride is employed at the De Laval Separator Company. Her husband, was discharged from service in September after four years in the Army, was overseas for three and one-half years. He is now associated with the International Harvester Company. They have returned from their wedding trip and are making their home in Poughkeepsie.

**Engagement Announced**  
New Paltz, Jan. 23—Mr. and Mrs. William R. Sheeran, Netherlands, announce the engagement of their daughter, Miss May Marion Sheeran, a graduate of New Paltz State Teachers' College, to Thomas Harry Armstrong, Jr., son of Thomas H. Armstrong, Clinton Corners. The bride-to-be is now a member of the faculty of Stantburg Union School, Staatsburg. Mr. Armstrong, who attended schools in Poughkeepsie and Mt. Vernon was recently discharged from the Army, having served three years, two of which were spent overseas. No date has been set for the wedding.

### Charles Barton Weds Miss Rita Murphy

Miss Rita Murphy, daughter of Mrs. Thomas Murphy, 14, Center street, was united in marriage to Charles Barton, Jr., son of Mr. and Mrs. Charles Barton of Port Ewen, Monday, at 9:30 a. m. The ceremony which was followed by a Nuptial Mass was performed by the Rev. John D. Simmons at St. Joseph's Roman Catholic Church. The Rev. Michael J. Curley, pastor of the Church of the Presentation, Port Ewen, was seated in the sanctuary.

The bride who was escorted by her brother, Thomas Murphy, wore a light blue crepe suit with matching hat and a corsage of white roses. Miss Margaret Murphy as her sister's maid of honor wore a pearl gray wool suit, pink flowered hat and corsage of pink roses. William Prendergast, cousin of the bridegroom, acted as best man.

Following the ceremony a reception for the immediate families was held at the Kirkland Hotel.

**Program Committee Announced**  
For Lowell Literary Club  
The Lowell Literary Club met Tuesday evening at the home of Mrs. R. S. Gaenzle, 104 Wurts street, Mrs. Rose K. Witter, president, announced the following program committee for next year: Mrs. O. D. B. Ingalls, chairman; Mrs. Mary Chidester, Mrs. R. S. Gaenzle, and Mrs. James A. Guttridge.

Mrs. George D. Long gave the first paper on "Apologetics to the Christian Faith." She noted the indisputable historical basis upon which the Christian faith is founded and of the need today for Christian people to stress their beliefs and to guard against the tendency of repudiation of these beliefs by many men of influence. Her paper was followed by an enthusiastic discussion.

Mrs. Gaenzle illustrated her talk with many colored slides of pictures she had taken in Kingston and of flowers, and scenes in nature. In closing she showed a group of slides depicting the institution of the Last Supper as told in the Gospels. The meeting closed with the singing of a hymn, Mrs. Chidester accompanying at the piano.

The next meeting will be next week Tuesday, January 29, at 8:30 p. m. at the home of Mrs. George D. Long, 28 West Chester street.

### Card Parties

#### C.D.A. Party

The Catholic Daughters of America, Court Santa Maria, 164, will hold a card party at the Knights of Columbus home Thursday at 8:15 p. m. Refreshments will be served.

#### St. Ann's Card Party

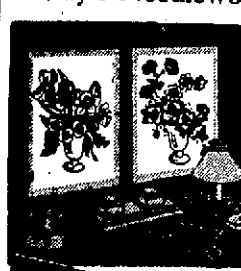

The regular monthly card party, for the benefit of St. Ann's Church, Sawkill, will be held in the church hall, Friday evening at 8:15 o'clock. Refreshments will be served. A bus will leave the Crown street terminal at 7:30 p. m.

## Local Student Represents Class

Miss Jane Hutton, second from right, daughter of Mrs. Joseph R. Hutton of 120 Elmendorf street, a junior at Keuka College, has been chosen by her class as candidate for Prom Queen of the junior prom to be held at Keuka Saturday evening. The queen will be chosen by vote of the orchestra. Other contestants are, left to right: Freshman, Mary Riordan of New Haven, Conn.; sophomore, Aileen Siebert of East Aurora; and senior, Marian Wilfirth of Rochester.

### Today's Needlework

7068

by Alice Brooks

Let these floral panels bring color to your walls! Lovely to look at, easy to do, they add beauty to any room. Framed they're very effective.

It's fascinating to embroider these floral panels. Mainly outline, single, lazy-daisy stitch. Pattern 7068 has two 7 1/4 x 8 3/4 motifs. Send FIFTEEN CENTS in coins for this pattern to The Kingston Daily Freeman, 51 Household Arts Dept., 259 W. 14th St., New York 11, N. Y. Print plainly NAME, PATTERN NUMBER, ADDRESS, ZONE. Send fifteen cents more for our Needlework Book — 94 illustrations of designs; crocheting, knitting, embroidery, dolls, other toys, home decoration. Free Pattern for two crocheted handbags printed right in the book.

### Personal Notes

Mr. and Mrs. John Bode, 32 Hoffman street, are celebrating their 45th wedding anniversary today.

P.F.C. Robert Messenger, son of Mr. and Mrs. A. G. Messenger, 136 Andrew street, was baritone soloist with the 22nd Infantry Regiment Glee Club in a concert of Christmas carols given Christmas Eve at the American Red Cross E. M. Club in Vienna. The group also gave a Christmas concert in the Great Hall of the Vienna Concert House on Christmas night.

Mr. and Mrs. Samuel Weisberg and son, Daniel Weisberg who received his discharge from the army last week after serving in the South Pacific area, of 11 Lindenman avenue, will leave this weekend for several weeks vacation in Florida.

Ray Craft and Albert Flick returned home Saturday after spending a two week vacation at the Hotel Florida, Lake Worth, Fla.

### Baptist Church School Ranks High in Regional Achievement Plan

The Church School of the First Baptist Church has attained all but two of the goals for the Northern Baptist Convention plan of achievement for church schools. When a school achieves all 10 of the points within a convention year the school becomes an "A" school.

Adoption of the plan was made at the monthly meeting of the teachers and officers Friday evening. Among the goals set forth in the plan are a committee created by the church to be responsible for planning and directing the teaching program; the use of the Bible as basic material for all teaching; the use of Northern Baptist teaching materials in every department; a definite plan for winning each pupil to Christ and cooperation with the pastor in special training for discipleship and church membership; a missionary program; increase the attendance at least 5 per cent for the year; a graded school according to age groups; planning of total program through at least nine workers' conferences during the year; participation in at least one standard leadership training class; attendance at morning worship service of the church of at least 75 per cent of those attending the church school above the primary department.

At the meeting Friday it was also voted to support the Christian Life Crusade which will be held by the church Thursday evenings for six consecutive weeks beginning January 31. The church school will have charge of the meeting on "Christian Teachers," February 7, with Miss Ethel Hull as leader.

### R. H. Rignall Heads Church School Staff

Raymond H. Rignall was elected superintendent of the First Dutch Reformed Church Sunday School at the annual meeting of the teachers and officers Tuesday night in the church house. Other officers elected for the year include Miss Dorothy DuMont, secretary; M. Clifford Miller, treasurer; Mrs. Albert Sitzer, superintendent of the primary department; Mrs. Arthur E. Oudemool, cradle roll; Mrs. George Davis, home department.

Annual reports were given and plans were made for the school year. Special attention will be given to planning worship programs for the opening exercises of the Sunday school sessions.

Prior to the meeting a supper was served. Arrangements were made by the committee of Mrs. Claude Haines, Mrs. R. P. Salisbury and Mrs. Oudemool.

### Club Notices

#### Child Study Club 2

Child Study Club 2 will meet at the home of Mrs. Joseph Vacca, 27 Taylor street, Thursday evening at 8:15 o'clock. Mrs. William Kelly will have the paper on the "Role of the Mother."

Darn on the right side, but steam-press the finished darn on the wrong side, then brush the right side to lift the nap.

### Today's Pattern

9064

52x25

12-20

Marian Martin

You'll look and feel "shipshape" in this shirtwaist dress with its new-as-spring detail. Pattern 9064 features a novel sailor-inspired collar. Easy to wear, easy to make. Pattern 9064 comes in sizes 12, 14, 16, 18, 20. Size 16, 25% yards 39-inch; 3/4 yard contrast. Send TWENTY cents in coins for this pattern to The Kingston Daily Freeman, 73, Pattern Dept., 232 W. 18th street, New York 11, N. Y. Print plainly SIZE AND STYLE NUMBER, YOUR NAME, ADDRESS, ZONE. The Marian Martin Spring Pattern Book is now ready... it's yours for Fifteen Cents. Full of smart styles for the family plus FREE pattern for the new "bag-on-a-bell" printed right inside the book.

### Ahavath Israel Program Of Weekly Services

Congregation Ahavath Israel, corner Wurts and Spring streets — Friday evening services at 8 o'clock. Rabbi Frank D. Plotke will preach on the topic "The Message of the Ten Commandments." Saturday afternoon, "Mincha services" at 4:30. Sunday school opened its sessions last Sunday morning. Those who have not been registered yet have an opportunity to do so on Sunday morning, January 24. Sessions begin at 10:30 a. m. Hebrew school is conducted Monday through Thursday from 4 to 6 p. m.

When darning, use a fine needle and short thread as long thread pulled back and forth across a tear or hole tends to stretch the darn out of shape.

## Good Taste Today

By Emily Post

(Author of "Etiquette," "Children Are People," etc.)

### DEMI-TASSES ARE NOT VERY SATISFYING

A wedding present of small coffee cups was obviously an unfortunate choice for the reader who writes me this letter: "I have a beautiful coffee service that was given to me for a wedding present. We are just ordinary people who never serve formal meals; so when and how can I use this set? The men in my family all like breakfast-size cups of coffee and the cups to this coffee set are very small. Could I serve afternoon coffee in them? It is such a beautiful set, I would like to be able to use it."

If neither you nor your friends like strong black coffee, the cups will be useless. But it is quite possible, however, to serve both kinds of coffee after meals—very strong in the little cups and ordinary strength in the big and perhaps, you will be pleasantly surprised to find that many like the little cups of coffee of double strength. This is essential!

### Cost of Arms Includes Crest

Dear Mrs. Post: What is the difference between a coat of arms and a crest?

Answer: The coat of arms is the whole design including crest, shield and motto, etc. The crest is the device above the shield originally worn on the helmet of a knight.

**Folding Napkin**  
Dear Mrs. Post: In one of the older editions of your book, you say that if it is not practical to put the napkin on the plate, the best way to fold it when it is to be laid on the table, is to fold its square of four thicknesses once again, perpendicularly like a narrow book. You do not say how to place it on the table. Does it make any difference, which corner is near the plate?

Answer: Not really, although it is usually better that the corner of its lower edge be turned away from the plate, as though the back of the book were laid toward the plate. If marked, then the only rule is to see that the lettering is placed right side up.

For Mrs. Post's booklet 504, "Etiquette of Table Setting," send 10 cents in coin and a 3-cent stamped, self-addressed envelope in care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York, 19, N. Y.

(Released by The Bell Syndicate, Inc.)

**Community Plans For Observance of Hygiene Day Here**

promoting the control and prevention of venereal diseases.

The Social Hygiene Committee of the Ulster County Tuberculosis and Health Association is now making plans to arrange for a public meeting, a radio program, and talks for the observance.

**TB and Health Association Is Asking Aid of Several Groups to Take Part in Program**

Strong warning that venereal diseases may increase far beyond wartime levels during the next few years has re-emphasized the need for immediate action says an announcement from the Ulster County Tuberculosis and Health Association. Highlighting community plans for the next month is the program now under way for Kingston and Ulster county participation in National Social Hygiene Day on Wednesday, February 6. In view of this, local leaders are enlisting the aid of health officials, civic groups, social agencies, youth organizations, churches, Parent-Teacher Associations, labor and management in planning observance of the day.

Interest in the campaign against syphilis and gonorrhea has risen quickly during the past years. V.D. control was an urgent and vital factor in fighting power and working ability. Ulster county is among thousands of counties throughout the country holding Social Hygiene general education programs to arouse the interest and concern of communities in stamping out the venereal diseases which kill 100,000 Americans annually. The national observance is sponsored each year by the American Social Hygiene Association, a voluntary health organization which works in close cooperation with the Army, Navy, U. S. Public Health Service, Office of Education and other units of the Federal government, and with similar state and local agencies in

**School Children Contributing to March of Dimes**

March of Dimes coin boxes have been placed in all public schools of the city and the flow of children's dimes into the Ulster county fund for the National Foundation for Infantile Paralysis already is under way, Raymond H. Rignall, School No. 6 principal and school chairman for the county drive, reported yesterday to Campaign Director Raymond McAndrew.

Ulster county's quota for this year's drive has been set at \$10,000. Raymond Garraghan will give the treasurer's report on WKNY this evening at 7:50 o'clock.

**Polio Toll Is Heavy**

One-half of all contributions to the annual March of Dimes remains with the chapters, with the other half going to National Foundation. For instance, it is spent for grants to some 42 universities, medical schools and laboratories scientists to search continuously for means of prevention and cure of poliomyelitis and improved methods of treatment and care. For as Bernard A. Culliton remarked in his Tuesday evening polio talk, the war is not over for some 6,000 polio victims of 1912, nor for many of the 19,000 stricken in 1944, nor for others still battling the crippling effects in 1945. Ulster county and the state must be prepared for victims that may be stricken in 1946. For this all that is asked is that each person

give just a little during the March of Dimes Campaign. During the unfortunate year of 1944, Ulster County Chapter had to borrow some \$3,500 from the National Foundation. In 1945 alone, the National Foundation for Infantile Paralysis disbursed over \$1,000,000 in emergency aid to such epidemic areas as Ulster county, supplementing the funds of local chapters.

William Kelly, ball chairman, reports that the ticket committee has all tickets out in the mail for the annual affair, scheduled this year in the circular ballroom of The Penguin on the 9-V road, on Wednesday evening, January 30. The returns so far have been gratifying, with a number doubling the amount required for the

tickets. It's a pleasant thought, "Let's dance, so that others may walk again!"

**MONTGOMERY WARD**

**Preacher's Woods Is Held on Rape Charge**

James Woods, 36, of 11 Gill street, also known as "Preacher" Woods was placed under arrest last night by Officers Cramer and Toward on a charge of statutory rape.

Arraigned before Judge Cahill in city court this morning, Woods

waived examination and was held for the grand jury. Woods is charged with impairing the morals of a minor and was arrested after a long investigation by the police. The minor's name was withheld.

A handy funnel for filling salt and pepper boxes can be quickly made by using the corner of an envelope and cutting off a small portion of the tip.

## Come in and shake hands with 'O. K.' McPARTLON

The Man Who Likes To Loan Money

66 It's to MY advantage, since we are in the business of loaning money, to let my level best in seeing that your request for a loan gets the O. K. That's the reason for my nickname. And it is to YOUR advantage, I sincerely believe, to come to Upstate. Prompt service on loans from \$30 to \$300, with easy terms of repayment.

## DeKay Succeeds G. W. Codwise as Scout President

Continued from Page One

William L. Douglas, Thomas J. Hanlon.  
Members-at-large: B. C. Van Ingen, William C. Kingman, Arthur J. Burns, George B. Matthews, Arthur J. Laidlaw, Harry Rigby, Dr. B. J. Mattison, Clarence I. Dumm, Louis R. Netter.  
Honorary vice-presidents: Jay LeFevre, Fabian L. Russell, George W. Pratt, George Osborn, Henry W. Leator, Harry L. Edson, Arthur H. Wicks, A. B. Shufeldt.

Ceremony Held  
Following the opening of the session by President Codwise, an opening ceremony was conducted by Frank Palen, district scout commissioner, assisted by Ronald Lord, Troop 12, bugler and service patrol and color guard—Cub, Russell Edwards, Jr., Pack 12; Scout, Dick Winchell, Eagle Scout, Troop 26; Air Scout, Elwood Hopper, Air Crew 11; Explorer Scout, Raymond Hendrickson, Explorer Post 3. Mrs. Clarence Wolfenstein sang a verse of the National Anthem, accompanied by her son, Robert, and the invocation was given by the Rev. Harvey I. Todd.

Comprehensive reports of work done in the seven districts into which the Council area is divided, showing extensive and worthwhile activities during 1945, were given by: H. Karl Ernst, southern; Frank Steenken, Saugerties; William Donahue, northern; Joel Balotin, Rondout Valley; Herbert DeKay, Kingston; Reginald Every, western; and by Scout Executive Badger for the mountain district.

Growing Reports Read  
The extent of work done in 1945 was further emphasized by reports of officers and chairmen of Council operating committees. Thirteen new troops and three new cub packs were added during the year. Two troops—Academy No. 21 and Ashland No. 56—and Troop 59 of the neighborhood patrol at Westkill, were dropped during the year, giving a net gain of 21 scouts and 77 cubs. As of December 31 there were 67 troops, with 1351 scouts; seven cub packs with a membership of 180.

With the purchase of the 150 acre Potter Camp at East Jewett, situated at the foot of Thomas Cole mountain, the development of this site for a Council camp becomes one of the leading interests of scouts and scouters. Plans for the construction of a dam to impound water for a three-acre lake were reported ready. Long-term camping will be inaugurated in the site this coming summer. In connection with this report an interesting feature was the talk by Paul Bird, geologist for the New York Board of Water Supply and Rondout valley district commissioner, who is given credit for much work in connection with the survey of this site and making plans for its development. Mr. Bird showed a number of pictures recently taken at the camp site, showing the area in general, location of the proposed dam, etc.

Codwise Honored  
Following the close of the business session the award of the Silver Beaver to Mr. Codwise was made. In the absence of S. K. Clapp, scout commissioner, George B. Matthews made the presentation. He spoke of Mr. Codwise's connection with scouting since 1931, the great strides that had been made during the three years he has been president, his work with the Red Cross and other civic activities.

All reports given Tuesday night, constituting a complete record for the year, had been prepared in mimeographed form and bound for distribution to those attending the annual meeting. The cover shows a map of the Ulster-Greene Council area, with the location of communities and the new camp site, between Maplecrest and East Jewett, in Greene county.

Program to Liberalize  
Insurance Law Proposed  
Albany, N. Y., Jan. 23 (AP)—A legislative program that includes a proposal to liberalize New York's Unemployment Insurance Law, is proposed by the state C.I.O.

The labor organization, through its legislative representative, Harold J. Garbo, announced yesterday that it would seek legislation supplementing present jobless payments with sickness, dependency and part-time worker benefits. It also proposed that striking veterans be covered by the Unemployment Insurance Law.

Garbo said the C. I. O. had a veterans' program embracing housing, bonuses and loans and that it would sponsor bills for rent control, a 65-cent-an-hour minimum wage, a health measure patterned after the federal Murray-Wagner-Dingell Bill, and a change in the method of selecting members of the Board of Regents.

To Meet Thursday  
The Ladies' Helping Hand Society will meet in the lodge rooms, corner Broadway and Brewster street Thursday afternoon at 2 o'clock. All members are urged to attend.

Wash window sills with wax to prevent water and rain spots.

Acts AT ONCE to relieve  
NIGHT COUGH  
SPASMS  
DUE TO  
COLDS  
Prescribed by thousands of Doctors!  
It is scientifically designed to act at once—not only to relieve such coughing but also to loosen tickling phlegm and make it easier to expectorate. Safe and effective for both old and young. Pleasant tasting. Any drugstore. PERTUSSIN

## Coal Mines Crippled By Steel Strike Today

Continued from Page One

### Nation's Trainmen To Vote on Strike; 215,000 Affected

Continued from Page One

tribute, collect and count the ballots.  
"Then we will serve notice on the railroads and if we get no offer we will go into action," Whitney said.

"Our committee chairman from each railroad declined an offer of the National Mediation Board to arbitrate the wage issue.  
"We felt it was necessary to keep the two issues together—wages and rule changes. We received the board's arbitration proposal Monday but could not accept it," he continued.

"The board has become an advocate of the railroads by attempting to force us to relinquish our rules program. They have attempted to divide the wages and rules issues."  
Johnston said the present situation was the result of the failure of the mediation board and the railroads to meet our demands.

Other railroad brotherhoods, operating and non-operating currently are demanding wage increases, but Whitney said only the trainmen and locomotive engineers are continuing to press the issue of rule changes—the others having withdrawn from this issue.

"The head of the trainmen declined to estimate when a strike would become effective, if authorized by the membership.  
Both Whitney and Johnston said a strike would tie up all railroads in the country. They described the "rule change" issue as complex, involving a wide variety of procedures. The general tenor of the brotherhoods' demand is to revise the rules to better working conditions.

Small Picket Lines  
For the largest single strike in the nation's history, only taken picket lines, the announced Bethlehem Steel Company policy of no attempt to operate during the strike seems to have been adopted generally.

Gradually the strike was clamping a throttling hand on allied industries. Railroad workers were being furloughed by many lines serving steel mills. Milk deliveries in Metropolitan New York were slashed one-eighth because of a shortage of containers caused by the walkout, and picketing of U.S.W. employees at American Can Company plants. A similar milk shortage was reported at San Diego, Calif.

Railroads Affected  
Steel shortages caused the lay-off of 500 men building cars at the Illinois Central Railroad Terminal in Memphis, Tenn. Green Bay, Wis., Drop Forge Co. shut down blaming a steel shortage and the loss of markets due to other strikes.

Murray said he would meet today (10 a. m. E.S.T.) with the U.S.W.-C.I.O. executive meeting, and this afternoon with the 175-member policy committee. He described the meeting as formal reviews of his pre-strike steel negotiations, which he said have been approved by the U. S. Steel negotiating committee.

Murray's letter to Vinson, made public by the C.I.O.-U.S.W. chief at a press conference last night, declared that the steel industry had received \$200,000,000 in rebates under the 10 per cent refund provision of the excess profits tax. He added the industry will get "another \$149,000,000 from 'carry-back' tax provisions" "if it fails to make any net profit in 1946."

This \$349,000,000, Murray said, represents "guaranteed profits 29 per cent above the level of prewar earnings."

The Treasury already has received \$3,500,000 in claims filed under another tax provision allowing corporations to change the base period on which their tax is computed, Murray said, and another section of the law allows speeded-up retirement of wartime plant investments.

No Comment  
In Washington the Treasury spokesman declined to comment. Nor was any reply forthcoming immediately from the industry.

Support for Murray's position on the wage increase was voiced in Washington, where the House heard from Rep. Blumenthal (D-Wis.) what he said was an administration-computed report that steel companies would gain \$200,000,000 yearly for a \$4 a ton price boost, while an 18 1/2 cent hourly wage increase would cost \$180,000,000.

Blumenthal, who told newsmen his report represented "a combination of statistics compiled by the O.P.A. and the Department of Labor," said he was "requested to cite these figures so the public would understand the companies would not lose by accepting the President's offer."

To clean and brighten rugs a good soap with one-half cup household ammonia to a bucket of water. Wash with a scrub brush.

U. S. Steel President B. F. Fairless scheduled a nationwide radio address (ABC 10 p. m. Eastern Standard Time) tonight to present industry's side of the grim dispute. And in a statement he set forth his reasons why President Truman's compromise proposal for a wage increase of 18 1/2 cents an hour, accepted by the union, was rejected by management.

U. S. Steel's offer of a 15-cent boost, Fairless said, "met 75 per cent of the union's proposal." To go higher, he added, would endanger "the thousands of fabricators and processors of steel whose very existence would be in jeopardy should we grant the union's demand for such a large and unwarranted increase."

Later a group of fabricating firms, at a press conference here, spoke out for separation of their wage negotiations from those of producing firms, asserting their plants were struck "despite the fact" they "had no real opportunity to bargain collectively with the unions." The U.S.W. declined comment on this.

Third Day of Strike  
As the strike went into its third day, with 750,000 idle at nearly 1,300 plants in 29 states an Associated Press survey disclosed some 58,000 at work in the steel industry. Less than 30,000 of these were employed at mills producing iron and steel, the remainder at smaller fabricating plants.

Nearly a third of those at work were independent union members employed by Weirton Steel Corporation at plants in Weirton, W. Va., and Steubenville, O. Many of the others worked under union management agreements providing wage increases ranging from 7 to 25 cents an hour, some included provisions for readjustment to the national scale whenever it is determined.

Small Picket Lines  
For the largest single strike in the nation's history, only taken picket lines, the announced Bethlehem Steel Company policy of no attempt to operate during the strike seems to have been adopted generally.

Gradually the strike was clamping a throttling hand on allied industries. Railroad workers were being furloughed by many lines serving steel mills. Milk deliveries in Metropolitan New York were slashed one-eighth because of a shortage of containers caused by the walkout, and picketing of U.S.W. employees at American Can Company plants. A similar milk shortage was reported at San Diego, Calif.

Railroads Affected  
Steel shortages caused the lay-off of 500 men building cars at the Illinois Central Railroad Terminal in Memphis, Tenn. Green Bay, Wis., Drop Forge Co. shut down blaming a steel shortage and the loss of markets due to other strikes.

Murray said he would meet today (10 a. m. E.S.T.) with the U.S.W.-C.I.O. executive meeting, and this afternoon with the 175-member policy committee. He described the meeting as formal reviews of his pre-strike steel negotiations, which he said have been approved by the U. S. Steel negotiating committee.

## Gen. Phelan Dies In N. Y. Hospital

State Athletic Commission  
Member Was 73 Years Old

New York, Jan. 23 (AP)—Major Gen. John J. Phelan, New York National Guard, retired, and a member of the New York State Athletic Commission, died in Polytechnic Hospital last night. Phelan, who was 73, had been ill in health for some time.

He was a member of the state commission almost from the time the Walker Law legalized boxing in New York in 1920. He succeeded James J. Farley, who later became postmaster general, as chairman of the commission in 1933.

Phelan was chairman until last year when Governor Dewey appointed Eddie Engan to the post. In a surprise move the governor retained Phelan, a Democrat, as a member of the commission.

His son, Lt. Col. John J. Phelan, Jr., was killed in action on the Italian Front last April.

State Insurance  
Claims Office  
Will Be Moved

Continued from Page One

ment Insurance office handles both civilian and veteran claims and because of the sharp increase in number of cases additional room is required. The offices in the Millard Building are located on the ground floor and will provide additional space for the offices.

In Saugerties the New York State Unemployment Insurance office is also being moved from its present quarters in the village clerk's office to Mechanics Hall on Livingston street. This change will be made over the week-end and the new office will be open for business on Monday morning, January 28. The Saugerties office will be open on Monday, Tuesday, Thursday and Friday of each week from 3 a. m. until 5 p. m.

The office of the United States Employment Service in Saugerties will remain at its present quarters in the village clerk's office.
